SeceuroGuard | 1000 Retractable Security Gates

The original retractable security gate.

Elegant good looks with a heart of steel – the SeceuroGuard retractable security gate system combines a classic appearance with a high level of protection, ideal for your home or workplace.

Designed to keep intruders out while letting maximum light in, they are perfect for vulnerable ground floor windows on doors, for domestic, retail or commercial premises.

When not in use these retractable gates are surprisingly unobtrusive. Fitted to the door or window surround, they can disappear neatly behind curtains and a pelmet can be used to conceal the top track.

SeceuroGuard retractable gates are exceptionally safe and easy to handle with a smooth, quiet operation. They hang from a top track with a guide track at the base which can be supplied as an optional extra to quickly fold away when not required.

- Exceptionally strong security barrier
- Galvanised for corrosion resistance and powder coated
- Fully retractable system
- Excellent through-vision when locked
- Multi-point locking from a single key
- Smooth running carrier system
- Custom built for any opening
- Quick and easy to use
- Can be fitted with a locking post at both ends to provide maximum flexibility of operation
- Where access is not required, a fixed sash option is available
- An unlimited width can be accommodated in sections

Ideal for:

- ✓ Retail premises
- ✓ Fitting in front or behind glass
- ✓ Offices
- ✓ Commercial premises
- ✓ Domestic properties
- ✓ Where a lower cost manual option is required

SeceuroGuard | 1001 Insurance Approved Retractable Security Gates

High security tested to Loss Prevention Standard 1175-1 (LPS 1175-1).

The SeceuroGuard retractable gate system combines a classic appearance with effective protection, ideal for the home or workplace. The high security 1001 is tested and approved to LPS 1175-1. The system can be easily fitted to the face or reveal of a window or door aperture and can be specified in a single or double-sash configuration. Where a clear walk through is required SeceuroGuard's bottom track can, as an optional extra, be made to fold up.

- **Versatile** – Fits internally in either the window reveal or around the opening in either single or double-sash configuration
- **Ease of use** – Smooth top running operation with an optional extra of a fold up bottom track to leave doorways unobstructed
- **Secure** – Multi-point locking operating from a single key
- **High quality finish** – Supplied in high quality white powder coated finish as standard
